In October, Varazdin area, where the towwn of Ludbreg is situated, usually is quite cool and moist. The daytime temperature goes up to +16C and may low down to +6C and even lower. Be prepared for rainy days as well, bring warm clothes and an umbrella. Of course, we can't predict the forecast and even if it will be warm, but its better to pack some extra layers of clothes. If you don't want to make your luggage too busy, there's a possibility to shop in Ludbreg or Varazdin Mall, the prices are quite attractive.

Croatia has its own currency - kuna, be prepared to have some money exchanged to pay for the bus, train, taxi, snacks and everything you would like to buy after your arrival to the destination. You can exchange euros in the airport or big bus and train stations, banks. **1 EUR = 7,53 Kuna**

# WHAT TO BRING?!

Typical food and drinks from your countries, flags and souvenirs! We will have traditional evenings during the project and basically every evening will belong to a different country. Unfortunately, we don't have budget to reimburse you the expenses made for the things that you are bringing, but try to be creative and funny!

You can bring typical costumes, ornaments, leaflets, posters, flyers, food, sweets, drinks, flag... and so on! Also, you can show videos, photos, sing music and dance traditional dances from your countries! We are counting on you to make these evenings as interesting as possible and promise to help you in any way that we can! We strongly advice though to avoid power point presentations and long video presentations (only of course this video wasn't created by your team for the project). Be creative!
