INTRODUCTION TO THE PROJECT

Join our **ESC project in Maracena, Granada**, and become part of a vibrant community.

This project offers you the opportunity to **engage in meaningful activities, support local youth initiatives, and gain hands-on experience**. As a volunteer, you'll grow personally and professionally while making a positive impact in the local area.

You will be part of a team of five volunteers who will bring along their own cultural background and personal knowledge adding value to our Youth Center.

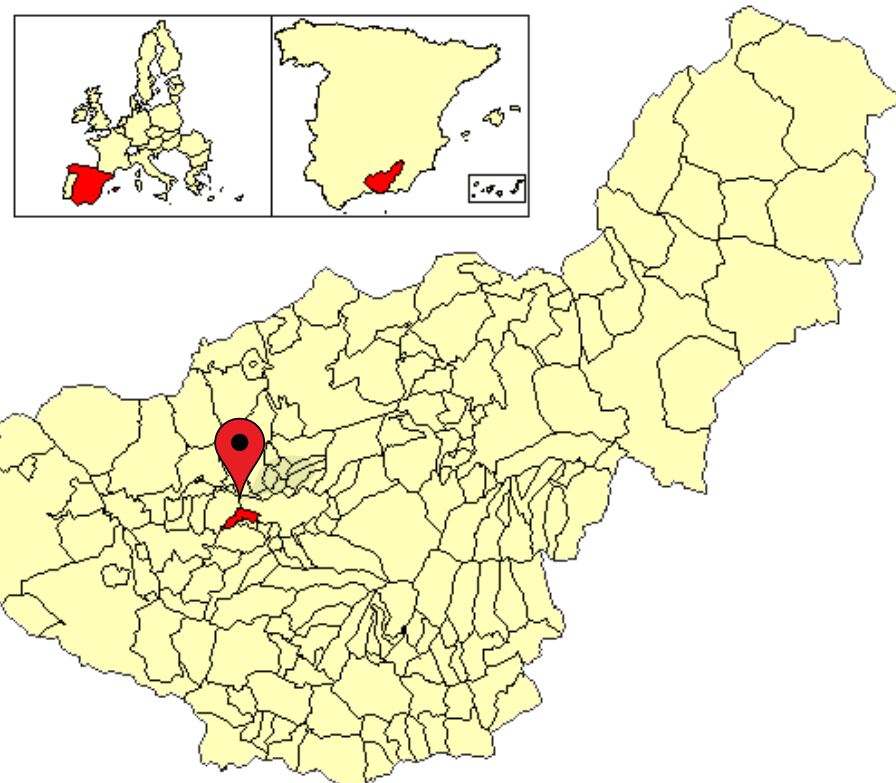

MARACENA, GRANADA

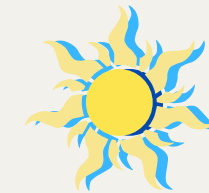

Maracena is one of the most important cities of Granada, with a population of *24.000 inhabitants*. It is located just 2km away from its city center

City of Granada

Alhambra, Granada

Granada is located in the the region of Andalucía, in the south of Spain. The province is renowned for its rich history, architecture and culture. You will get to enjoy the birthplace region of Flamenco and get to know more about the history of the Alhambra, all while witnessing the beauty of the Sierra Nevada mountains.

**ESPACIO
JOVEN
DE MARACENA**

As an all-encompassing youth center, it provides an **open space for people to explore & express themselves** as well as creating opportunities for them.

OUR ORGANISATION

We are **Espacio Joven** – Ayuntamiento de Maracena, a Youth Center which was established *32 years ago*. Since then, we have been putting our continuous effort to stimulate young people in various aspects through a wide range of activities.

We have the
Erasmus+
Accreditation!

OUR YOUTH CENTER

Youth Center

This is a place to welcome the young people of Maracena. In this shared space, we convey important values to them through non-formal education methods. The multicultural environment is one of the key elements constituting Espacio Joven.

Erasmus Room

This room is dedicated to Erasmus+ activities. Our team is constantly researching, organising and implementing new mobility opportunities co-funded by the EU for the youth of Maracena.

Ludoteca

Children between 3-11 years old enjoy their leisure time by playing board games, preparing crafts and theatrical plays. They learn to cooperate, to express themselves, to be confident and responsible.

PROPOSED ACTIVITIES

- Daily participation in our youth center.
- Eco-volunteering (Ecocasa): teaching young local people about sustainability and environmental practices.
- Cultural workshops (cooking, language classes....).
- Erasmus+ projects (organisation and implementation of training courses/youth exchanges, promotion of mobilities, finding partners...).
- Organisation of intercultural/local events.
- Learn the Spanish language/teach your own language.
- Implementation and participation in workshops from the children's leisure space (Ludoteca).
- Preparation of the local summer camps activities.
- Communication and social media support.

ECO-CASA & Garden

A space dedicated to the environment. In Eco-casa and the garden, non-formal education activities are carried out with children from local schools to reflect together on their carbon footprint. The space is equipped with informational panels on various topics, from mobility to biodiversity.

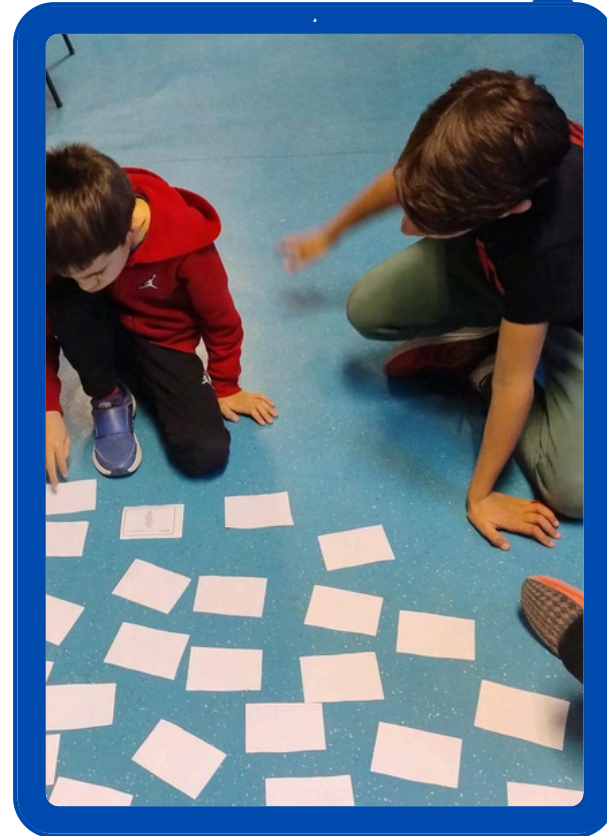

There are virtual goggles available in the classroom in which they are able to explore and have fun while learning.
